

PUAHUE SCHOOL

“ako mo te ora”

LEARNING FOR LIFE

“Vision: We are connected and equipped for life”

Strategic Goals 2020 – 2022

Goals	Initiatives	Outcomes	2020	2021	2022
1. Establish clear community connections and partnerships	1a. Strengthen partnerships and engagement with parents	Increased participation in school events and improved response to consultation and feedback processes			
	1b. Strengthen partnership with Parawera Marae	Mutual increased attendance in culturally important activities both the school and the Marae hold			
	1c. Engage in collaborative partnerships and engagement with Te Awamutu schools	Active involvement and participation in rural and roses professional development initiatives			
2. Modify school building spaces that support the vision	2a. Build STEM room to support increased science and technology in school	Complete property enhancements that support the vision			
	2b. Enhance the flexibility of learning spaces between rooms with breakout spaces				
3. Children leading learning	3a. Strengthen Tuakana Teina in school	Student voice is used and informs school decision making at leadership and board level			
	3b. Deepen children’s involvement in leading their own learning	Students understand the learning journey and progress they need to make as confident learners			
	3c. Strengthen student resilience	Students are self-regulating and confident as learners and citizens
